We had our attention called to rather curious thing a few days ago. A party here in Forsyth noticing an article advertised in one of the popular magazines, wrote to the manufacturer in an eastern city inquiring where his goods could be bought, and in due course of time received a letter from the head office saying that a local firm in Forsyth handled their products. The curious part of it is that a per on here has to write Chicago or N. Y. to find out what his home-made name to sell. Wouldn't it save time for the customer, at least, if our merchants would spend a dollar or two occasionally for advertising at home.

Tom Jennings and wife were over from Hollister Monday visiting with relatives and friends.

A suit to determine whether or not a permanent injunction shall be issued will be heard here at the April term of the court.
Do not fail to note the wonderful "Real bargain offer" made by that sterling newspaper, the St. Louis Globe-Democrat, elsewhere in this issue. In spite of the enormously increased cost of production, the Daily Globe-Democrat except Sunday is offered to Rural Free Delivery and Star Route patrons (yearly subscriptions only) at the remarkable low rate of \$3.00 per year—or in complete clubs of three or more, at the net club rate of only \$2.50 for each yearly subscription. The Daily Globe-Democrat including Sunday is offered for \$5.50 per year, or in clubs of three or more at the net rate of \$4.75 for each yearly subscription. This offer is also open to subscribers who receive their mail at Post-offices where the Daily Globe Democrat is not handled by local news-dealers. It is not open to subscribers who live in towns served by Daily Globe-Democrat newsdealers. The regular price of the Daily Globe-Democrat including Sunday is now \$7.50 per year; Daily without Sunday, \$5.00 per year. Read the "Real Bargain Offer" and send in your order at once. The advancing price of all newspaper-making material may force an increase of subscription rate at any time. Address the Globe Printing Company, Publishers, St. Louis, Mo.

With Rod and Reel
By the Fish Editor.
The past week or so has seen a great change in the temperature and a consequent picking up of the affairs in fishing circles. Several parties were out the first of the week and all report good catches.
John Ray and S. W. Boswell were out about the dam the first of the week and returned with a good string of bass and one jack salmon that weighed six pounds, and Sam reported it was good eating, too.
Mr. J. F. Crump of Kansas City, who was here the latter part of last week on other business took a few hours off and went fishing, making a good catch of bass and crappie.
The recent rains have made the spring run of the game fish a little earlier this year than usual and bass, jack salmon and crappie are now being caught all along the river, both above and below the dam.
Mr. A. C. Bush, of the Western Newspaper Union at Kansas City, was in town Monday afternoon of this week and tried his luck with the rod in White river and Swan creek.
Messages are being received here daily now from fishermen in other parts of the country inquiring about the prospects for good sport this spring. We believe the chances are good for a fine fishing season in this part of the country.
There have already been several nice boxes of fish shipped from here to other towns in this part of the state this spring. White river fish have a great reputation with anyone who ever tasted them.
The editor of this column and wife took a few hours off the first of the week and went down the river a couple of miles, returning with two nice bass and a jack salmon. They made a rather tasty meal.

At this day comes the plaintiff herein by its attorneys, William H. Adams, and files its petition and affidavit alleging among other things that defendants, J. W. Long and Louis Long, are not residents of the State of Missouri.
Whereupon it is ordered by the Clerk, in vacation, that said defendants be notified by publication that plaintiff has commenced a suit against them in this court, the object and general nature of which is to obtain a judgment against them for the sum of one hundred seventy-four and twenty-three one hundredths dollars (\$174.23) on a certain promissory note dated January 1st, 1910, for the sum of one hundred and eleven one hundredths dollars (\$111.01) which there is now due them of sixty-four and twelve one hundredths dollars (\$64.12) in interest; said note being given to plaintiff for the use and benefit of the defendants of Township 2, Range 12, in Taney County, Missouri, and was given to secure the purchase price for the S-E 1/4 of Section 26, Township 2, Range 12, in Taney County, Missouri, and to enforce the State of Missouri and obtain an order of sale for the said land and to enforce said debt, the interest thereon and the costs of this suit.
And that unless the said J. W. Long and Louis Long do appear at this court at the next term thereof, to be begun and holden at the court house in the town of Forsyth, in said county, on the 22nd day of April, 1917, and on or before the first day of said term, unless longer time be given by the court, answer or plead to the petition in said cause, the same will be taken as confessed and judgment will be rendered accordingly.
And it is further ordered that a copy hereof be published, according to law, in the Taney County Republican, a newspaper published in said county of Taney, for four weeks successively, the last insertion to be at least thirty days before the first day of said next April term of this court.
